SECTION IV FIRE AND EXPLOSION HAZARD DATA

Flash Point: N/A

Flammable Limits: N/A

SECTION V HEALTH HAZARD DATA

Eye Contact: No irritation is expected. In case of contact, flush with water.

Skin Contact: No skin irritation is expected from accidental contact.

Inhalation: Inhalation is not a likely route of exposure to this product.

If Swallowed: Ingestion is not a likely route of exposure to this product

Other Health Hazard Information:
N/A

Protective Clothing: The use of gloves, moisture impervious aprons, and other protective clothing must be dictated by the standard operational procedures of each individual laboratory. Wash hands thoroughly after handling.

SECTION IX SPECIAL PRECAUTIONS

The Product Certificate of Analysis, which accompanies the distribution of each product, contains specific information regarding specific precautions.

The statements contained herein are offered for informational purposes only. Since conditions and manner of use are outside of our control, we make no warranties, expressed or implied, and assume no liability in connection with any use of this information.
